### ***Opener, Middle break, Closer***

(Circle left)

- \* Dear when you smiled at me, I heard a melody  
Four men star right... from the start  
Allemande left and weave the ring  
Something inside of me...  
Swing and promenade for me  
Zing! Went the strings of my heart
  
- \* 'twas like a breath of spring, I heard a robin sing  
\*\* All nature seemed to be...
  
- \* I still recall that thrill, I guess I'll always will  
\*\* I knew I loved you heaps, and you were mine for keeps

### ***Figure - twice for Heads, twice for Sides***

Heads promenade halfway  
Walk in square thru go four now  
All the way, right & left thru for me  
Veer left, couples circulate you see  
Chain down the line for me, keep her  
Promenade in harmony
