

## **Help Is On Its Way** (KDM-103)

Called by: Chris Froggatt  
Sydney, Australia

### **Opener, Closer**

Circle left

\* Why're you in so much hurry?

\*\* Is it really worth the worry?

\*\*\* Look around; then slow down

Men star by the right, one time round tonight

Left allemande and weave that ring

Hang on; help is on its way

Swing your girl and promenade

Hang on; help is on its way

I'll be there as fast as I can

\* What's it like inside the bubble?

\*\* Does your head ever give you trouble?

\*\*\* Trade it in; it's no sin

### **Figure – twice for Heads, twice for Sides**

Heads ladies chain across, turn the girl and

Heads promenade go ½ way around

Lead right, right & left thru turn the girl

Veer left, ferris wheel round you do

Centres pass thru, touch a quarter, scoot back

Swing your corner, you promenade now

Hang on; help is on its way

I'll be there as fast as I can

### **Middle Break**

Sides face, grand square

Hang on; help is on its way; I'll be there as fast as I can

Hang on, a tiny voice did say

From somewhere deep inside the inner man

Allemande and weave the ring

Hang on (short silence) help is on its way

Swing that girl and promenade

Hang on; help is on its way

I'll be there as fast as I can

(Tag ending) Hang on; help is on its way!
